---

The Selectmen of the Town of Sunapee are proud to dedicate the 1983 Annual Town Report to the late Henry W. Trow.

After his discharge from the Air Force he spent the balance of his life assisting with the operation of W.W. Trow & Son Lumber Co.

Henry served the town in many capacities:

Town Moderator	1948-1982
School Moderator	1947-1983
Cemetery Commissioner	1954-1983
Water Commissioner	1953-1971
Fire Engineer	1950-1979
Deputy Forest Fire Warden	

'We dance around in a ring and suppose,  
But the Secret sits in the middle and knows'  
"The Secret Sits" by Robert Frost

---

## —TABLE OF CONTENTS—

Dedication . . . . .	2
Selectmen's Report . . . . .	6
Town Officers . . . . .	8
Town Warrant . . . . .	11
Town Budget . . . . .	19
Outstanding Long Term Notes and Bonds . . . . .	22

Executive Councilor

Raymond Burton of Bath through 1984

## NOTICE TO PROPERTY OWNERS

All property owners must file by April 15, 1984 an Inventory of Taxable Property and Exemption form with the Board of Selectmen completely filled out. Failure to do so will result in a penalty of not less than \$10 or more than \$50.

## NOTICE TO USERS OF THE TRANSFER-RECYCLING STATION

The Town of Sunapee adopted an Ordinance at our Annual Town Meeting on March 14, 1978 covering our Transfer-Recycling Facility.

Section 8 of that Ordinance states:

“The gate will be locked at all times when the dump is not open to the public. Anyone not authorized, apprehended inside the Recycling Facility area when it is supposed to be locked will be charged with violation of the above ordinance and be subject to a maximum fine of \$50.00. Also, anyone leaving rubbish anyplace other than designated areas will be subject to this fine.”

## HOURS OPEN

Sun.	9:00 a.m. - 1:00 p.m.
Mon.	9:00 a.m. - 12:00 p.m. and 12:30 p.m. - 5:30 p.m.
Tues.	CLOSED
Wed.	CLOSED
Thur.	9:00 a.m. - 12:00 p.m. and 12:30 p.m. - 5:30 p.m.
Fri.	9:00 a.m. - 12:00 p.m. and 12:30 p.m. - 5:30 p.m.
Sat.	9:00 a.m. - 12:00 p.m. and 12:30 p.m. - 5:30 p.m.

## A REPORT FROM THE SELECTMEN

Last year at Town Meeting, the voters requested two new committees with the members to be chosen by the Town Moderator. One committee was to study the towns' wages and fringe benefits and make recommendations to the Selectmen. The other committee was to assess our highway department needs and priorities and report back to the Town Meeting. Both committees appear in this book. We are endeavoring to have more consistency and do away with as much as possible, the inequities between our departments, as the Town of Sunapee is the employer and in turn the taxpayers bear the expense.

Through the endeavors of Charles Sorento much of the town property was repaired. A new septic tank was installed for the public bath house in Georges Mills; the roof of the information booth was shingled; the underpinnings for the town office building were strengthened and restored, the offices were painted, carpet cleaned, police dept. office made warmer, cleaner and more habitable.

But, we have only scratched the surface in the town office building which needs a major renovation and upgrading of this historic area. We are in need of meeting rooms for senior citizens, etc., and more parking space. We are now in the process of applying for a feasibility study grant to see how viable this project would be.

Much work has been done on the public bath house in the harbor, and we regret having to lock them up late at night against vandalism, instead of leaving them open for 24 hours.

We shored up the parking lot next to the Community Store which is owned by Micro Precision, Inc. but has been used extensively for many years by the town.

With the coming bicycle races this August 13th thru 19th, the short term inconveniences should be outweighed by the long term public relations, advertising and economic gain we are anticipating for the area.

The Dept. of Transportation held a public hearing last August 10th for the purpose of discussing with townspeople and property owner, the passing lane coming up out of Georges Mills on Route 11. This has been planned for a long time and was finalized through much effort of Senator George Wiggins. This was very favorably received by everyone in attendance. Surveying was started last fall with construction to begin this summer.

We had our insurance programs for the town analyzed and put out for bid. We emerged with more extensive coverage, four times the coverage, for less money.

Our new policy for semi-annual billing of property taxes, which was voted at last year's town meeting, has been very successful towards

the economy of the town. We did not have to borrow as much money and pay interest, instead we earned interest. With the new policy of interest earning checking accounts, the town earned \$5,503 in 1983. With frugal handling of your money we earned \$38,908 in interest compared to \$9,732 last year, and paid \$13,095 less interest for borrowed money in anticipation of taxes, thus making an overall gain of \$42,271 in this area.

Eileen Stiles has been hired for one 5 hour day per week or a total of 260 hours per year, whichever is most important to the tax collector, to help with additional billing and posting the semi-annual taxes.

The number of property transfers have increased but real estate prices seem to have remained high so our present assessments stand at 54% of fair market value.

The cost of contract services have increased, but not without many negotiations through the efforts of Selectman Ernest L. Cutting, II. There are those costs which the town has little or no control over such as schools, County, Blue Cross-Blue Shield, Workers' Compensation, etc.

We are now in the process of appealing a decision of the Board of Tax and Land Appeals and are having a dispute with the Granliden Community Association over a discretionary easement for their golf course.

The town has 14,016 acres of land and 35% of it is now assessed at the current use rates.

The present tax rate is \$28.78 per thousand. How much this will increase is determined by the voters at Town Meeting.

This was the 7th year and time to once again perambulate some of the town lines. This was achieved with the New London Selectmen and Newbury Selectmen. Pictures were taken of bound makers so there will be a record making it easier to recognize the boundaries the next time.

We appreciate the cooperation of all department personnel in trying to keep the quality of service up and at the same time the costs down.

We will all greatly miss valuable citizens of this town: Henry Trow, our town and school moderator who also served in several other capacities for many years; Farrell Quinlan, a member of the School Board for 6 years and our Representative to the General Court; Dexter Richards, a long-time resident who was instrumental in rebuilding the light house in Burkehaven; also a much loved Ruth Hastings.

Respectfully submitted,

MARYLOU D. SMITH, *Chairman*  
GEORGE I. WIGGINS  
ERNEST L. CUTTING, II

## **TOWN OFFICERS**

### **Moderator**

Stephen R. Warren

Term expires 1984

### **Town Clerk**

Jean W. Putonen

Term expires 1984

### **Treasurer**

--------------------

**TOWN WARRANT  
THE STATE OF NEW HAMPSHIRE**

**The polls will be open from 9:00 a.m. to 7:00 p.m.**

To the Inhabitants of the Town of Sunapee in the County of Sullivan in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the David W. Sherburne Gymnasium, located on Route 11, in said Sunapee on Tuesday, the 13th day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

Pursuant to the terms of RSA 39:2-a, you are also hereby notified to meet at the David W. Sherburne Gymnasium in said Sunapee on Saturday, the 17th day of March next, at ten of the clock in the forenoon, to act upon Article 2 thru 40 as set forth in this Warrant.

ARTICLE 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

ARTICLE 3. To hear the reports of the Selectmen, Treasurer, Auditors, Committees and/or other officers heretofore chosen.

ARTICLE 4. To see if the Town will vote to raise and appropriate the following sums of money for the General Government, and pass any vote relating thereto.

	1983	1984
Town Officer's Salaries	\$ 26,800.00	\$ 26,800.00
Town Officer's Expenses	34,000.00	34,500.00
Election & Registration Expenses	1,500.00	4,000.00
Cemetery Department	3,800.00	3,800.00
General Government Buildings	26,700.00	26,700.00
Reappraisal of Property	2,500.00	2,500.00
Planning Board	1,000.00	1,000.00
Legal Expenses	6,000.00	6,000.00
Advertising & Regional Associations:		
Information Booth	2,800.00	3,000.00
Lake Sunapee Business Association	738.00	850.00
Upper Valley Lake Sunapee Council	250.00	1,870.00
Contingency Fund	<u>3,000.00</u>	<u>3,000.00</u>
	\$109,088.00	\$114,020.00

(Est. \$1.49 per thousand)

NOTE: This estimated amount per thousand means that if the total amount for each article is raised it will cost the property owner this amount for each one thousand dollars of his/her property assessment. These estimates will be reduced further (by about 1/3) when estimated revenues are applied toward the total appropriations.

ARTICLE 5. To see if the Town will vote to raise and appropriate the following sums of money for Public Safety, and pass any vote relating thereto.

	1983	1984
Police Department	\$ 99,346.68	\$111,727.00
Fire Department	37,175.00	40,850.00
Civil Defense	<u>200.00</u>	<u>200.00</u>
	\$136,721.68	\$152,777.00

(Est. \$2.00 per thousand)

ARTICLE 6. To see if the Town will vote to raise and appropriate the following sums of money for Highways, Streets and Bridges, and pass any vote relating thereto.

	1983	1984
Town Maintenance - Summer	\$ 84,833.00	\$ 84,833.00
Town Maintenance - Winter	77,166.00	85,000.00
General Highway Dept. Expenses	52,725.00	52,725.00
Town Road Aid	1,135.92	0.00
Street Lighting	24,000.00	24,000.00
Machinery Maintenance	<u>23,152.00</u>	<u>25,000.00</u>
	\$263,011.92	\$271,558.00

(Est. \$3.56 per thousand)

ARTICLE 7. To see if the Town will authorize the Selectmen to spend the estimated sum of \$41,424.27 from the Highway Block Grant Aid for the maintenance, construction and reconstruction of Class IV and V highways. These monies are a State Subsidy.

	1983	1984
Highway Subsidy	\$ 7,837.64	0.00
Additional Highway Subsidy	6,191.73	0.00
Block Grant Aid	<u>23,403.10</u>	<u>41,424.27</u>
	\$37,432.47	\$41,424.27

ARTICLE 8. To see if the Town will vote to raise and appropriate the following sums of money for Sanitation and pass any vote relating thereto.

	1983	1984
Solid Waste Disposal	\$45,000.00	\$55,000.00
Sullivan County Regional Refuse District	<u>1,764.60</u>	<u>2,713.00</u>
	\$46,764.60	\$57,713.00

(Est. \$.75 per thousand)

ARTICLE 9. To see if the Town will vote to raise and appropriate the following sums of money for Health and pass any vote relating thereto.

	1983	1984
Health Department	\$ 1,2000.00	\$ 1,200.00
Hospitals & Ambulances:		
Newport Hospital	1,750.00	1,750.00
New London Hospital	1,750.00	1,750.00
Newport Ambulance Service	5,202.00	5,202.00
New London Ambulance	2,085.00	3,000.00
Animal Control	1,000.00	1,000.00
Vital Statistics	60.00	60.00
Kearsarge Visiting Nurse Association	<u>4,693.65</u>	<u>4,861.35</u>
	\$17,740.65	18,823.35

(Est. \$.24 per thousand)

ARTICLE 10. To see if the Town will vote to raise and appropriate the following sums of money for Welfare, and pass any vote relating thereto.

	1983	1984
General Assistance	\$10,000.00	\$10,000.00
Old Age Assistance	<u>3,500.00</u>	<u>5,000.00</u>
	\$13,500.00	\$15,000.00

(Est. \$.19 per thousand)

ARTICLE 11. To see if the Town will vote to raise and appropriate the following sums of money for Culture and Recreation, and pass any vote relating thereto.

	1983	1984
Abbott Library	\$22,801.00	\$28,210.00
Recreation Committee	23,500.00	25,000.00
Patriotic Purposes	50.00	50.00
Conservation Committee	500.00	500.00
Band Concerts	<u>2,400.00</u>	<u>2,400.00</u>
	\$49,251.00	\$56,160.00

(Est. \$.73 per thousand)

ARTICLE 12. To see if the Town will vote to raise and appropriate the following sums of money for Debt Service, and pass any vote relating thereto.

	1983	1984
Principal - Long Term Bonds:		
Sewer Bonds	\$ 67,500.00	\$ 67,500.00
Water Bonds	18,370.00	18,370.00
New London Interceptor	0.00	813.00
Interest - Long Term Bonds:		
Sewer Bond	62,900.00	59,525.00
Water Bond	10,505.50	9,587.00
Interest Expense -		
Tax Anticipation Notes	<u>12,000.00</u>	<u>12,000.00</u>
	\$171,275.50	\$167,795.00

(Est. \$1.46 per thousand)

(\$41,937.00 will be refunded to the Town through a State Aid Grant for the Sewer Bond and Interest; \$4,674.52 will be received from the Town of New London for it's share of the Sewer Bond and Interest; and \$9,250.00 from Water Dept. income will be applied to the Water Bonds and Interest).

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$82,645.00 to operate and maintain the Sewer Department in anticipation of income and pass any vote relating thereto.

	1983	1984
Sewer Department	\$82,130.00	\$82,645.00

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$47,990.00 to operate and maintain the Water Department in anticipation of income, and pass any vote relating thereto.

	1983	1984
Water Department	\$47,990.00	\$47,990.00

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$35,000.00 for Social Security and Retirement Insurance and pass any vote relating thereto.

	1983	1984
Social Security and Retirement Insurance	\$32,000.00	\$35,000.00

(Est. \$.45 per thousand)

ARTICLE 16. To see if the Town will vote to raise and appropriate \$27,000.00 for Insurance Fringe Benefits and pass any vote relating thereto.

	1983	1984
Insurance Fringe Benefits	\$31,000.00	\$27,000.00
(Est. \$.35 per thousand)		

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for Community Youth Advocates, Inc. in order to assure continued services and counseling for the young people of this community, and pass any vote relating thereto.

	1983	1984
Community Youth Advocates	\$2,000.00	\$2,500.00
(Est. \$.03 per thousand)		

ARTICLE 18. To see if the Town will authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money; provided: (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a Public Hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies, and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of Town monies, all as provided by RSA 31:95-b.

ARTICLE 19. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes for the year 1984-85, and pass any vote relating thereto.

ARTICLE 20. To see if the Town will vote to reduce the speed limit on Main Street in Sunapee, from 30 miles per hour to 20 miles per hour, and pass any vote relating thereto. This article to take effect 60 days from being passed at Town Meeting.

ARTICLE 21. To see if the Town will vote to amend the Town of Sunapee Parking Ordinance:

Section 2-A to raise the parking fines for all parking violations within the Town of Sunapee from \$1.00 to \$3.00 and for overnight parking on the street from November 1st to May 1st in any year to \$5.00.

Section 2-D - - - who shall fail to report within 72 hours and pay the penalty prescribed by Section 2-A thereof or shall violate any other provisions of this ordinance shall be subject to an administrative fee of not less than \$10.00 nor more than \$25.00.

This amendment will take effect upon passage.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$12,213.00 for the purchase of a new fully equipped police cruiser and authorize the withdrawal of \$6,106.50 for this purpose from the Federal Revenue Sharing Fund with the balance to be raised by taxation, and pass any vote relating thereto.

(Est. \$.08 per thousand)

ARTICLE 23. To see if the Town will vote to raise and appropriate \$9,267.00 for the purchase and updating of radio equipment, office equipment, and other related police equipment, and pass any vote relating thereto.

(Est. \$.12 per thousand)

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$13,000.00 to hot-top Fairway Drive and Skijor Steppe at Granliden, and pass any vote relating thereto.

(Est. \$.17 per thousand)

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of \$48,000.00 for the purchase of a new dump truck for the Highway Department and authorize the withdrawal of \$24,000.00 for this purpose from the Federal Revenue Sharing Fund with the balance to be raised by taxation, and pass any vote relating thereto.

(Est. \$.31 per thousand)

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 to purchase a new snow plow, and pass any vote relating thereto.

(Est. \$.03 per thousand)

ARTICLE 27. To see if the Town will authorize the Selectmen to purchase from the Public Service Co. of N.H. the balance of land owned by them and now used as a substation, located adjacent to the Old Hydro Station for \$2,500.00. Payment to be from unexpended balance of Hydro Engineering Funds, and pass any vote relating thereto.

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 in order to make necessary improvements at the Transfer Recycling Station and authorize the withdrawal of \$2,000.00 for this purpose from the Federal Revenue Sharing Fund with the balance to be raised by taxation, and pass any vote relating thereto.

(Est. \$.02 per thousand)

ARTICLE 29. To see if the Town will vote to appropriate \$28,830.00 to complete the expansion and renovations to the Abbott Library and authorize the withdrawal of \$14,415.00 for this purpose from the Federal Revenue Sharing Fund with the balance of \$14,415.00 to be raised by taxation and pass any vote relating thereto.

(Est. \$.18 per thousand)

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of \$7,000.00 for the purpose of updating the Town of Sunapee Master Plan and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund, and pass any vote relating thereto.

ARTICLE 31. To see if the Town will vote to authorize the Fire Department to become members of the Kearsarge Mutual Aid Association.

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of \$7,500.00 to install a sprinkler system in the fire station and authorize the withdrawal of \$3,500.00 for this purpose from the Federal Revenue Sharing Fund with the balance to be raised by taxation, and pass any vote relating thereto.

(Est. \$.04 per thousand)

ARTICLE 33. To see if the Town will vote to raise and appropriate the sum of \$12,500.00 to be placed in a Capital Reserve Fund to be used for the acquisition or refurbishing of fire apparatus and equipment.

(Est. \$.16 per thousand)

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for Water Improvements and pass any vote relating thereto.

(Est. \$.19 per thousand)

ARTICLE 35. To see if the Town will vote to transfer \$15,000.00 from the Sewer Construction Fund and vote to use this money for reconstruction of the existing sewer in front of the highway garage, and pass any vote relating thereto.

ARTICLE 36. To see if the Town will vote to raise and appropriate \$500.00 for the maintenance and updating of the Town of Sunapee Property Tax Map and pass any vote relating thereto.

(Est. \$.006 per thousand)

ARTICLE 37. These ten (10) names are required to present to the Town Meeting so that the rule made years ago can be changed. As it reads now no more driveways from a private road - I should be able to use my land - for taxes, hospital, and old age - for which it was bought and improved.

(by petition)

ARTICLE 38. To see if the Town of Sunapee shall call upon the Governor and Executive Council, its State Representative(s) and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Sunapee, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire.

(by petition)

ARTICLE 39. We, the undersigned citizens of the Town of Sunapee would like to see the David W. Sherburne gymnasium available to the Sunapee Fire Department to hold the annual Firemen's Ball and to allow alcoholic beverages in accordance with state liquor laws and pass any vote relating thereto.

(by petition)

ARTICLE 40. We, the undersigned, hereby petition the selectmen of the Town of Sunapee, N.H., to keep the dump open 6½ days a week and provide the work force for the two additional days from the town highway department.

(by petition)

Given under our hands and seal, this twentieth day of February, in the year of our Lord nineteen hundred and eighty four.

MARYLOU D. SMITH  
GEORGE I. WIGGINS  
ERNEST L. CUTTING, II  
*Selectmen of Sunapee, N.H.*

## SUNAPEE HIGHWAY DEPARTMENT REVIEW COMMITTEE

The Review Committee consisted of Dodd Johnson, Bill Stocker, Dick Webb and Art Zerbel. Along with the members, most of the meetings were attended by Mr. Van Wiggins, the present Sunapee Road Agent. The intended purpose of the group was to obtain an understanding as to how men and equipment were presently being used and to consider alternatives and suggestions as to their future use.

It was the general feeling that in most cases the resources available to the Road Agent were being used effectively; however, the question of the use of men and equipment usage in the coming years kept coming to the surface. It was the feeling of the committee members that competitive bidding on projects other than normal maintenance become a standard practice. When a project is to tie up a significant amount of men and machinery, it should be put out for bids to determine if it can be done more efficiently by an outside contractor. This same consideration should apply to the job of snow removal. Should the Town own sufficient equipment to cover all of the snow removal. Should the equipment not being used to the fullest during the balance of the year? A list of all obsolete and surplus equipment should be given to the Selectmen, in order that it may be disposed of.

Due to the cost of new equipment, it was suggested that major purchases be considered along the lines of either leasing or lease purchase. The Town has been fortunate over the past few years that it has not had to replace a combination plow and dump truck, but the time for making a decision is now before the present equipment hits the point where it is worthless.

In summation, we are sure that the tax payers of the Town do not wish to face additional expenditures in the Highway Department, but the Town roads are just holding their own, and there are some instances where work is called for now. Equipment must be replaced and the amount of man power available on a year around schedule will have to be reviewed. It is possible that with the cooperation of all Town Departments, better equipment could be obtained and shared by the Refuse Facility, Water and Sewage Department, and the Highway Department. It is our last suggestion that the Town consider a part-time Administrator to work between the Department Heads and the Selectmen to determine a smooth flow of work and priorities as far as the services the tax payers expect to receive.

## **REPORT FROM SENIOR CITIZEN GROUP**

The Sunapee Senior Citizens group was organized in July of 1982. The meetings have been held at the Sunapee Jr-Sr High School, Abbott Library and the United Methodist Church vestry on the second and fourth Mondays.

Programs of interest have been presented as well as an occasional pot luck supper and a picnic.

The town-sponsored day trips via the Vermont Transit have been to the Isle of Shoales, the N.E. Aquarium and Quincey Markets; ride and lunch on the Mt. Washington at Lake Winnepesaukee and to Strawberry Banke in Portsmouth.

The membership as of 2-1-84 is 83 and all senior citizens of Sunapee are welcome on the trips scheduled regardless of membership.

## AUDITOR'S REPORT

We hereby certify that we have examined the accounts of the Selectmen and other Town Officers and find them to be correct and properly vouched.

WILLIAM C. LARY, SR.  
FRANCIS C. GALLUP  
JOHN W. REED  
*Auditors, Town of Sunapee*

### REPORT OF THE ABBOTT LIBRARY For the Year Ending December 31, 1983

The library has been busy this past year with programs, workshops, fund raising activities and serving the community. ALCAP (Abbott Library Community Activities Programs) this year consisted of: photography seminar, smocking workshop, Ukrainian egg decorating, Home Safety Fair, painting (oil & water) classes, lampshade workshop, straw weaving workshop, calligraphy workshop, children's weekly summer activity program, summer reading program with family cookout at Dewey Beach, spinning and weaving demonstration with hands-on participation with the 3rd grade class, reading and activity kit presented to each first grade student (put together with the help of the first grade teachers), 3rd annual spring plant sale, 4th annual Christmas egg-nog and cookie week.

Donations made to the Library this year: Decker Bros. of Georges Mills for a children's science encyclopedia and five years subscription to National Geographic Magazine. Sunapee Lions Club for large print books. Sunapee Fire Dept. for a set of children's safety books and a subscription to Fire Service Today magazine. Donation in memory of William P. Doherty for records. Orinthology books for various age levels in memory of Cathy Millican from the Sunapee High School class of 1968.

Additions to our collection this year consist of: 1,341 books, 2 magazine subscriptions, 16 toys and puppets (a start to our new collection of toys to lend), and 53 records.

New equipment purchased this year: IBM typewriter, office chair, two step stools, stereo sound system, four tables for meeting room, and two magazine racks.

Library use is continuing to increase. This year we served 10,340 patrons (last year 9,572) circulation of 17,665 books, magazines, etc. (last year 16,916), 14,056 copies (last year 7,837) and registered 210 new patrons (last year 180).

The Expansion Fund Raising Committee has had a very busy and productive year with the following activities: Fund raising and news letter, Cabin-Fever dance, yard sale, Breakfast in July, raffle, chicken barbeque and dance, "Eggs MacMastin" breakfast by Remmie and Sherri Mastin, donation from Runtley's Roost from their Library Week.

Balance as of December 13, 1982	\$ 7,004.90
Donations, fund raising proceeds, interest, memorial donations in the name of: Henry Trow Wayland R. Porter Roland Chamberlain	<u>6,495.84</u>
Balance as of December 31, 1983	\$13,500.74

The Friends of the Library spent the spring and summer raising funds for the landscaping in front of the building which was done by Michael Kennedy. Their activities included a Lasagna Supper, bake sales, white elephant sale, membership drive, children's games at United Way Fun Day, help with the Children's Summer Acitivty program.

As we look forward to a busier and better year in 1984 I would like now to express my thanks to the Board of Trustees, members of the Friends, members of the Expansion Committee for their unfailing support and help and the tremendous amount of time and work they have given to the Abbott Library.

Respectfully submitted,

PATRICIA HAND  
*Librarian*

## REPORT OF THE BEN MERE COMMITTEE

During 1983 the Ben Mere area was once again kept in beautiful condition with the cooperation of the Selectmen and specifically through the efforts of Charlie Sorento. Memorial trees were trimmed and bedded and a new tree planted by the Reverend and Mrs. Schrader in memory of their daughter Karen.

The park was widely used for recreational and relaxing purposes and served very well as part of the site for United Way Fun Day.

The Committee continues to welcome and encourage suggestions for future development of the area and also is glad to grant permission to use the park for events of interest and benefit of the entire town.

Respectfully submitted,

JOHN F. McGRATH  
*Chairman*

WILLIAM C. LARY  
*Treasurer*

## REPORT OF THE SUNAPEE RECREATION COMMITTEE

Another successful summer was logged at the Dewey and Georges Mills beaches. Swimming lessons, games and activities, First Aid and CPR instruction, and fitness activities were featured.

Many area youngsters participated in the baseball and softball activities. There were two Farm Teams, two Little League Teams, one Babe Ruth team, and two girls' softball teams.

The Senior Citizens Group has been very active, with present membership standing at 83. Peggy Ford is President. The group meets twice monthly. This year they have enjoyed several potluck suppers, guest speakers, and day trips to Lake Winnebepesaukee and Strawberry Banke.

Winter cooperated with our skating rink this year! Excellent daily grooming and supervision helped to provide many hours of superb skating for hundreds of townspeople. Several citizens donated hours of plowing, wood cutting, and building maintenance.

The Recreation Committee hopes to work closely with local public and school organizations to provide even more recreational activities for Sunapee's citizens in the future.

Respectfully submitted,  
EDWARD WIGGINS, *Chairman*  
JOHN McGRATH  
JOAN CHANDLER  
CYNTHIA CURRIER  
BRADLEY LEAVITT

## REPORT OF THE SUNAPEE HEALTH OFFICER

The following inspections were made by Health Officer, John Wiggins:

Test Hole Examinations	59
Sub-division Examinations	4
Day Care or Foster Home Examinations	4
Septic or Sewerage Leakage Problems	12

## SUNAPEE HISTORICAL SOCIETY

The year 1983 was a very good year for the Society. The museum was open for a series of programs during the summer that were well attended and brought forth a lot of good comments.

We jointly sponsored with the Lake Sunapee Protective Ass'n. another antique and classic boat parade that gave the people around the lake a glimpse of some of the vintage boats of yesteryear.

We hope to have some permanent displays set up in the near future as our temporary displays create a lot of interest.

Our Craft Fair this year is in the form of an "Old Home Day" and on Saturday, July 21 we hope to have a real good time.

We are always ready to accept donations of artifacts pertaining to the past history of the town and lake. Please contact any officer or member of the Society if you have anything of interest.

Respectfully submitted,

JOSEPH A. HILL.  
*President*

## SUNAPEE INFORMATION BOOTH

The week of the 50th annual Craftsmen Fair held at the State Park, was a record week for bringing tourists to the Information Booth. We had over 100 cars stop in one day, with over 550 cars for the entire week.

The weather being so hot on many days, we had cars with bathers in them, stopping and asking, "Which way to the State Beach?"

The new "Bed and Breakfast" accommodations, now offered in Sunapee and Georges Mills was a drawing card, and we had tourists stopping and making inquiries about them.

It being such a pleasant summer — weather wise — we had many more tourists stop than last year.

We had cars from Canada, Honduras, France, Finland, England, Belgium, Mexico, Luxemburg and Germany.

And we appreciate the new roof put on our booth by Charles Sorento, and the closing of the booth by him.

Respectfully submitted,

ROXANNE PATTENDEN,  
Manager

### **NEWPORT AMBULANCE REPORT 1983 REPORT**

There were 74 emergency logs made out for Sunapee by the Newport Ambulance Service for the year 1983.

Forty-nine patients were transported to Newport Hospital, seventeen to New London Hospital, one to the County Hospital and from Mary Hitchcock Hospital to Sunapee.

There were four fires which the ambulances were called to cover in case of emergency. The service also covers functions where numerous people congregate if we are wanted there, such as fairs, etc.

The ambulance crew is grateful for the help and cooperation of working together with the fast squad members, the police department officers, and the fire department of Sunapee, without whom we could not have been as successful in carrying out our duties.

We hope we have fulfilled the needs of the people of Sunapee when we were called. We have tried to, and may we continue to help you to the best of our ability in a satisfactorily and knowledgeable fashion.

Sincerely,

CLARICE "BABE" FRYE, R.N.  
*Director*

## “HEALTH BEGINS AT HOME”

### KEARSARGE VISITING NURSE ASSOCIATION ANNUAL REPORT OF SERVICES

During 1983, the Kearsarge Visiting Nurse Association has continued its growth in services to the towns of Andover, Bradford, Danbury, New London, Newbury, Springfield, Sunapee, Sutton, Warner and Wilmot. We are proud of the professionalism of our staff which now totals 17 and two new services of Speech Therapy and Social Services. The enrollment in our Child Health Clinic totals 170 children from birth to 6 years of age. The opening of an office in Bradford has been a success and very much appreciated by the communities in our southern catchment area. We have expanded our services without asking for an increase in town appropriations for the *fifth* year in a row.

The graph represents the visits made to your town during 1983.

If you know of someone who needs help, please call us in New London 526-4077 or Bradford at 938-2022 for a free evaluation visit. We are a Medicare Certified Agency and will be happy to help you answer any questions you may have regarding home health care.

Robin Gallup, RN  
Co-Director

Tanya Wilkie, RN  
Co-Director

Representatives from your town on our Board of Directors are:

Mr. Joseph Harrison   Mrs. Doris Morrow   Mrs. Cynthia Wiggins

## SUNAPEE PLANNING BOARD

This year started off very quietly. There were few applications and most were minor subdivisions (less than three lots) and several boundary adjustments. All in all we had 20 applications by the end of the year.

We now have three major subdivisions under consideration. One on Lake Avenue, one off Central Street and one in Georges Mills. At the moment the one at Georges Mills is still in the planning state and there have been no public hearings scheduled.

The other two have caused some concern by the abutters because of what they consider overcrowding or unsafe or unfeasible terrain features. This is also a concern of the Planning Board and we will always, in any situation, take a careful look at the consequences of any subdivision. There are three parties we have to consider, the owner of the land who has certain rights, the abutters who also have some concern, and finally we always have to consider the eventual user of the land, who should not have to buy or be sold a lot that cannot be safely used for building purposes unless it is so stated on the plat.

We have limited powers granted by the town to control subdivision. We have no zoning or even lot size limitations, but in all cases we will follow the procedures laid out in the Subdivision Regulations of the town, taking due consideration of the Public Health and Safety.

If the voters of this town should decide that they want some subdivision control as to lot size, etc., they should approach the Planning Board which can schedule public hearings to consider such a request.

Respectfully submitted,

FRANK SIMPSON  
*Chairman*

## POLICE DEPARTMENT REPORT

The past year has been a very busy year for all departments in our town. Many changes have come about, some slight and some not so slight. We have a hydro plant being built, a new turbine in the pump station and the police station being renovated.

Amid all these changes and disruptions, the police department worked short handed for 9 months, either through injuries, school or vacations, which put us at a disadvantage. Crime did not take a break due to our internal problems.

Last summer brought a great influx of summer people to town and we realized one of the busiest summers for several years. Along with the people we had our usual summertime events and it definitely increased our activity. More people were arrested for violation of Town Ordinances than in the past several years.

The number of in-custody arrests this year is nearly twice that of last year. Each one took several hours of time to process, i.e. fingerprint, photograph, take statements, transport to jail and make bail arrangements or court arraignment within 24 hours of arrest.

Criminal investigation has burned up many hours over the last year. The number of persons interviewed and the number of statements taken along with the initial incident report has made our files bulge.

Within the past year we are proud to announce that the police department has had several officers trained in special fields. We now have a trained court prosecutor, an accident investigator and a fingerprint technician.

Our newly renovated police station is now being utilized on a more regular basis and all police operations are being conducted from our office on Main Street. More often than not we can be found at the office, making it easier for any citizen to walk in to lodge a complaint and ask questions.

In the ensuing year we hope to continue our fingerprint program at the Central School and hope to start a DRUG EDUCATION program as a part of our continuing service to the town.

Please let me remind you again, that if you have any questions in reference to the law, feel free to contact any one of your police officers. They all have the knowledge to answer any question you may have. Also, please don't hesitate to call us if there is a problem in your neighborhood. Your involvement is a very important and valued necessity in crime prevention in our community.

Thank You,

JOHN F. TAYLOR

**REPORT OF THE SUNAPEE HYDRO COMMITTEE**

With the favorable vote at the March Town Meeting to construct a hydro facility, the Hydro Committee continued to employ the engineering firm of Kleinschmidt & Dutting of Pittsfield, Maine.

Basic specifications for Design-Build Proposals were developed. Four proposals were received and the one from Power Technics, Inc. of Dover was accepted and a contract signed in October.

A water intake at the Sunapee Pumping Station dam will provide water for two 42 inch ductile iron pipes. These will conduct water a thousand feet down stream to the old power house across from the Micro Precision Co. The 76 foot drop in elevation gives the water energy which will turn a 809 H.P. Ossberger cross flow turbine. The energy will be converted to electric energy as the turbine will be directly connected to a 555 K.W. synchronous generator. The entire output will be sold to the Public Service Co. of N.H. The facility will have a capacity to draw 120 cubic feet per second from the dam. the water pumping station will use water power to pump the towns' water when there is sufficient flow beyond the hydro plant capacity. There will always be a six cubic foot per second flow down the old river bed as this minimum flow is required under our license exemption. The penstocks are to be buried the entire length with the parking lot and Coffin Park restored to previous condition. Automatic controls will eliminate the need for a full-time operator.

The financing is by one year construction notes, to be repaid by a 15 year tax exempt bond issue. Work is progressing ahead of the scheduled completion date of March 1985. All major equipment has been ordered and over half of the penstock is in place. The Public Service Co. is eliminating their sub-station beside the power house, and have offered to sell to the town all land previously reserved. The article in the warrant to purchase, if approved, will give the town title to all land from the information booth along Route 103B to the entrance to Coffin Park. The public is urged to inspect the work in progress and ask any questions regarding this major construction project.

Respectfully submitted,

NORMAN E. PERKINS, *Clerk*

### REPORT OF THE TOWN CLERK

Received and Paid to Town Treasurer:

1983 Auto Registrations	\$ 108,956.50
1982 Dog Licenses	129.60
1983 Dog Licenses	1,723.95
1983 Filing Fees	<u>25.00</u>

Total Paid to Town Treasurer: \$ 110,835.05

223 HB 466) 429.00

I certify the above returns to be correct to the best of my knowledge and belief.

Respectfully submitted,

JEAN W. PUTONEN

*Town Clerk*

## SUNAPEE WATER DEPARTMENT

Again, this year proved to be a busy one with several major water main breaks and service leaks, although this can be expected, we seem to have more than normal the past two years.

The water dept. took on a major project this past fall in rebuilding the River Rd. pump station. The existing penstock from the dam to the pump station was replaced, the gate case was rebuilt with new gates and using stainless steel pins and bolts, a new stainless steel runner and shaft was also used.

Our water improvement program this past year included a new water meter and chlorine injection equipment for Georges Mills. Due to our fall work load and late delivery of the equipment, we were not able to install the equipment before winter. We will have to completely shut down the Georges Mills water system for one day to remove the old equipment and install the new equipment. Due to the possibility of freezing water pipes and potential fire hazard, we plan to install the equipment as soon as frost conditions permit this spring.

It was brought to our attention at the 1983 Town Meeting that we have no long range plans for water main extensions. For the past ten years or so, we have improved our water system and fire protection dramatically. At times our proposals were turned down at Town Meeting. We have concentrated our efforts on our summer water service and replaced thousands of feet of old galvanized pipe to plastic lines to better serve the summer user.

The water & sewer commission has formed a committee to review our water system to see what we have and what or future needs will be. We still have some critical areas that need improvement to better serve our community, not only in water quality but fire protection as well.

The water and sewer commission meets the last Thursday of every month.

Respectfully submitted,

HENRY CUNNINGHAM  
*Superintendent*

## REPORT OF THE SUNAPEE WASTEWATER TREATMENT PLANT

In late 1983 the Town of New London awarded the contract to rehabilitate the worst sections of the towns antiquated sewer system. The contract calls for the replacement of sewer mains and manholes during the spring and summer of 1984. This project should eliminate the last problem plaguing the Joint System; the unwanted inflow and infiltration of spring runoff and rainwater into the sewer system, which has caused considerable hydraulic overloading at the treatment plant.

Our energy conservation program is still showing the fruits of the operators efforts; even with the rate increases given Public Service Company this past year, we lowered the treatment plants power cost by 7% and the pumping stations by 10% from the 1982 expenditures. The energy conservation program is one of many efforts the operators are using to keep costs down, and this effort is reflected in the decrease in sewer rates again for 1983.

During the summer months the sewer department lowered seven manholes, to blend in with the surrounding pavement, to insure a smoother traffic flow and winter snow removal.

On January 1, 1983 the U.S. Environmental Protection Agency and the N.H. Water Supply and Pollution Control Commission enacted new regulations concerning the disposal of sludge from Wastewater Treatment Plants. The Town of Sunapee will no longer be able to give away sludge directly from the drying beds, as has been the policy in the past. Unable to continue the give away program the operators are now required by law to compost the sludge. A trial composting program was set up in 1983 and for numerous reasons did not produce an acceptable composted product. Hopefully, in 1984 using different methods and learning from our mistakes this past year, we hope to have a finished composted product available to the general public.

The public is always welcome to visit the treatment plant during normal working hours, 7:00 AM to 3:30 PM. The operators and myself will be glad to show you around and explain the processes utilized in protecting the water quality of Lake Sunapee and the Sugar River.

Respectfully submitted,

ROBERT A. URBAN  
*Chief Plant Operator*

REPORT FOR SULLIVAN COUNTY, DISTRICT #3  
TOWN REPRESENTATIVE TO THE GENERAL COURT  
CONSTANCE M. MEHEGAN

It is with a deep feeling of sadness that I sit down to write this report. As you all know, it was the untimely death of Farrell Quinlan, just a year ago, that resulted in my eventual election, on June 14, 1983, to replace him. The swearing-in ceremony took place fifteen days later, before the Governor and Council, and I was able, therefore, to attend only one day of the regular session. We passed the budget and upheld three of the Governor's four vetoes, then adjourned "sine die", for the first time in many years. That term means: no special session without an emergency.

Interim committees do continue to function on a fairly regular basis after the session ends but I had no assignment until early September. I am on the Public Works Committee, with very little interim activity to date, and also on Resources, Recreation and Development. The latter committee is working jointly with a committee from the Senate, headed by Senator Wiggins, to put together a statewide comprehensive program for water management and protection of underground water sources. In addition, I have attended many meetings of the Transportation Committee as they address the problems of boat numbering, water safety and water use taxes. Whenever possible, I attend meetings concerned with the problems faced by our educational institutions today.

I am much involved, as was Farrell, in the conduct of County business and serve as clerk of the Finance Committee as well as clerk of the entire delegation. Frankly, it has come as a surprise to me to learn that the county delegation is so intimately concerned in the conduct of county affairs.

I have tried to carry on both locally and in Concord, as my predecessor would have wished. I hope that the residents of Sunapee feel free to contact me to voice their concerns or, simply to ask questions.

Respectfully submitted,  
CONNIE MEHEGAN,  
*Town Representative*

## REPORT OF THE ROAD AGENT

After the usual tasks of winter maintenance, mud season and spring clean-up, the highway department embarked upon several road improvement projects.

One of the first ones that we did was in Georges Mills. This consisted mostly of shimming with hot-top and oiling. Main Street, Pleasant Street, and the short cross road between Main Street and Route 11 were extensively shimmed and smoothed with hot-top and later sealed with road oil in September.

The second project we started in late June on Nutting Road. This road reconstruction started at the intersection of Nutting and Bradford Roads and continued to the southerly end of Nutting Road. All along this section many truckloads of rocks were removed from under the road, some so large that they had to be blasted apart to be removed. These holes from the rocks were filled with gravel, compacted, shimmed with cold patch and later overlaid with about one to two inches of hot-top. Later in September the steep hill starting at the intersection of Penacock Woods was oiled.

Our project on Young Hill Road was probably the most extensive because one mile of road from Route 103 to the very top of the hill was just about totally reconstructed. The ditches on both sides were pulled and shaped, rocks were removed, culverts installed and the primary shimming completed. We hot-topped the entire hill. Close to seven hundred tons were laid out using our grader and a roller rented from a local construction firm. The hot-top overlay came out excellent and next summer we are planning on oiling this section of road.

Our final big job of 1983 was on North Road from a point 200 yards north of the Public Service substation to the intersection of North and Sargent Roads. Many trees and stumps had to be removed before excavation could start. After these were removed we started digging out to widen the west side of the road about four feet. Three large sections of ledge had to be blasted very carefully because of the location of the houses near the road on the east side. After the ledge was removed and the excavation complete we laid in a four foot gravel shoulder making snow removal easier and also greatly reducing a traffic hazard. However, this job was not completed due to the fact that it was started in November. This summer we plan on shaping the ditches, seeding the banks and paving this section.

During 1983 several smaller projects were also done. The first wooden bridge on Avery Road was replaced using larger 10 inch hemlock beams with a new 3" hemlock deck on top. Two old culverts were replaced on Hells' Corner Road and a new 28 foot culvert was replaced on Cemetery Road in South Sunapee. Two new concrete catch

basins were installed, one in Lower Village and one in Sunapee Harbor. Our road oiling program, one of my priorities was again continued. We hope that next summer more oiling can be done. However the cost of oil is quite high which puts a curb on how much you can do each year.

In closing, I would like to say that 1983 was very productive for our department. In 1984 we would like to finish our North Road project and start on several new ones. Again I welcome any comments that you may have.

Respectfully submitted,

VAN E. WIGGINS,  
*Road Agent*

## REPORT OF THE SUNAPEE CONSERVATION COMMISSION

The Sunapee Conservation Commission has been working with a group of senior citizens in Sunapee, to make some hiking trails on local town property. We hope the hiking trails will be used by all in Sunapee.

Thank you,

ERNEST TOWNE  
*Chairman*

## SUNAPEE FIRE ENGINEERS REPORT

From December 1, 1982 to November 30, 1983 your Fire Department answered a total of 151 alarms, a decrease of 3 alarms. Fire related responses remained at 78, while medical related calls declined from 76 to 73.

In July, we received the replacement aerial ladder truck that was approved at last year's Town Meeting. This is a 1964 Mack with an 85 foot aerial that replaces the 1944 American LaFrance with its 65 foot aerial.

Also approved at Town Meeting was an insulation item for the Georges Mills station. The members of engine company No. 3 have installed most of the insulation and are presently working on the interior finish and trim. This insulation will help in reducing heating costs at this station.

## REMEMBER — SMOKE DETECTORS SAVE LIVES

WILFRED C. GONYO, *Deputy Chief*  
FRANCIS H. NOLIN, JR., *Deputy Chief*

## REPORT OF TOWN FOREST FIRE WARDENS AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

# **SULLIVAN COUNTY REGIONAL REFUSE DISPOSAL DISTRICT**

## **1983 Annual Administrative Report**

The Sullivan County District Committee devoted its efforts during 1983 to development of a waste-to-energy facility.

Clark-Kenith, Inc., presented a technical and financial proposal to the NH/VT Solid Waste Project (representing the Sullivan County District and the Southern Windsor/Windham Counties Solid Waste Management District) during January, 1983. The technical proposal was acceptable. However, work was required on the financial proposal to reduce projected disposal costs.

Clark-Kenith and their investment banking firm, Lazard Freres, have been working to reduce capital costs and to develop a less expensive method of financing the facility. The Project concentrated on a search for additional waste, and on preparing an application, through the Town of Newport, for a four million dollar Housing and Urban Development, Urban Development Action Grant.

The City of Keene voted on December 1, 1983 to petition to join the Sullivan County District, but voted against joining on December 15, 1983. Westminster, Vermont voted to join the Southern Windsor/Windham Counties District on December 16, 1983. New London, New Hampshire petitioned the Sullivan County District during December and is expected to vote on joining the District at March town meeting. New London has agreed with the New Hampshire Solid Waste Board to become a member of the Sullivan County District.

The addition of New London and Westminster brings the total tonnage available in the two Districts to approximately 55,000 tons of waste per year. The Clark-Kenith facility is capable of burning 67,000 tons per year.

The Urban Development Action Grant application is currently being considered for funding. A decision is expected in early February.

Contract negotiations with Clark-Kenith are now being finalized. A decision will be made by the Districts on whether to sign a contract with Clark-Kenith during the first week of February. If the District decide to go forward with Clark-Kenith, the contract will be signed after March town meetings. If the contract is signed, financing is expected to be complete during the summer.

A twenty year electric purchase contract has been finalized with Connecticut Valley Electric Company (CVEC). A base price of 9 cents

per KWH, changing at 50 percent of the Gross National Product Implicit Price Deflator has been agreed upon. This price should provide a long-term stable electric supply to CVEC customers while protecting the towns against excessive inflation in solid waste disposal costs.

Environmental issues associated with locating the facility in Claremont became a major issue this year. A great deal of time has been spent addressing Claremont's concerns, and the District Committee believes the City of Claremont will continue to support the Project.

Appraisals have been completed on land necessary for the facility and for the ash disposal site. Option agreements are now being negotiated with the landowners.

Respectfully submitted,

RALPH H. MEACHAM

HOWARD M. PRATT

Article 44. Tabled.

## REPORT OF THE OVERSEER OF WELFARE

Requests for Old Age and Welfare assistance increased in 1983. The monies expended do not fully reflect this since innovation and cooperation with other service providers enabled us to provide alternative solutions in many instances. This "network" included Counseling Center of Sullivan County, N.H. Legal Assistance, Sullivan County Transit Systems, Kearsarge Visiting Nurse Association, Southwestern Community Services, Community Youth Advocates, Claremont City and Town of Newport welfare offices (as well as some outside this County), N.H. Division of Welfare, Orion House, and others.

One new concept for the Town of Sunapee was employment of work eligible clients by the Town of Sunapee as an offset to the monies expended for support. The savings resulted by reducing expenditures of the Highway Department when temporary help or over-time hours were needed. Selectman Ernest L. Cutting, II, Road Agent Van E. Wiggins, Chief John Taylor and his officers, Town Clerk Jean W. Putonen and other played important parts in this and other areas of needs response. And Mrs. "Jo" Hill's unflagging and expert help was of immeasurable value.

Therefore, the Town of Sunapee provided more effective and efficient assistance to many citizens at no cost to the Town and to others at reduced Town costs per unit of service.

ALICE P. IRWIN  
*Overseer of Welfare*

## OPINION ON COMPLIANCE

To the Members of the Board of Selectmen  
Town of Sunapee  
Sunapee, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Town of Sunapee for the year ended December 31, 1982 and have issued our report thereon dated June 10, 1983. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In connection with our examination also (1) performed tests of compliance with the Revenue Sharing Act and regulations as detailed in the **Commentary on the Audit Requirements of the 1980 Amendments to the State and Local Fiscal Assistance Act** issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and (2) compared the data on the appropriate Bureau of Census Form RS-8 with the audited records of the Town of Sunapee.

In our opinion, for the items tested, the Town of Sunapee complied with the aforementioned provisions of the Revenue Sharing Act and regulations. Further, based on our examination and the procedures referred to above, nothing came to our attention to indicate that the Town of Sunapee had not complied with the aforementioned provisions of the Revenue Sharing Act and regulations.

June 10, 1983

JOHN J. KILLION, JR., CPA  
*Killion, Plodzik & Sanderson*

January 16, 1984

Covering letter, or report, of the Town Committee, appointed by the Moderator to study employee benefits for the Town of Sunapee, NH.

Compared to nine other towns of comparable population, tax base and resort attributes, we find that Sunapee is in the median as regards salary ranges, benefits, etc. In general, we therefore feel that the Town is treating its employees quite well. In fact, we feel that the workmens compensation supplemental insurance is an unwarranted expense and should be cancelled due to the generosity of the present workmens compensation benefits.

In view of the predominant 40 hour work week for most Town employees, we feel the Police Department should be on a 44 hour week this year with a 40 hour week in the near future. The committee could not agree that the Police should receive the same weekly pay for a 44 hour week as for the 48 hour week. If done, this would amount to an 8% increase. If a 5% raise is granted other Town employees this year, it, or a negotiated amount, for the Police would be in order.

The Police clothing allowance of \$125.00 per year is not really adequate, and an increase should be considered in keeping with the current costs. Most towns considered allow \$250.00 per year. The amounts range from \$125.00 to \$400.00.

The Fire Department Engineers set the pay scale for the volunteers. This has been \$1.00 per hour for at least the last 40 years. This should be addressed by the Engineers. Since employers continue to pay the volunteers' time at fires, or pay the difference, and the self-employed donate their time, the department is being subsidized, perhaps unfairly.

Although considered, this committee has not seriously addressed wages, benefits, etc. of the school or library. The School Board and the Library Trustees have complete authority over their respective budgets. They are, of course, welcome, in fact encouraged, to refer to this booklet.

In reference to the Library, we do feel the Library could be open longer hours, i.e. 30 hours, which might help eliminate the extra hours now spent, and for which no compensation is made. If it's necessary to spend extra hours, they should be paid for them.

The hospitalization benefits must be studied in more depth and other carriers considered to minimize this escalating expense. A higher deductible should be considered, and the committee feels the Town should not pay the deductible. This action defeats the purpose of a deductible. Vis: to discourage participants from abusing the privilege with very minor problems. Maternity benefits to be evaluated.

The Life Insurance should be continued, but the off-job disability should be discontinued. Sunapee is one of three towns in the ten considered that furnishes this coverage.

Hospital benefits are currently furnished by the Town according to the Employee's status, i.e. a single person has single coverage, a married person has 2 person coverage, etc. Percentage of payment by the Town is subject to annual review.

It is this Committee's sincere wish that this Manual serve both the Town and the Employees through standardization and definition of Employment Policies and Benefits.

## REPORT OF THE LAKE SUNAPEE BUSINESS ASSOCIATION

The Lake Sunapee Business Association has had a very successful year working for the Town of Sunapee and the entire Lake Sunapee Area. Volunteers and business people have worked hard on many different projects and events to enhance our fine community and to keep it the productive, beautiful place we all enjoy.

Some of these projects are the printing of 50,000 color brochures professionally distributed to our marketing areas to attract visitors to our area. Also printed every year is a handy map and directory so visitors can find their way around and locate the many fine businesses we have. We also printed 20,000 Mt. Sunapee Trail Guides and Lodging Directories distributed to marketing regions.

LSBA answered over 1400 inquiries about our area with a personal letter and is making available these lists to other members to also send information.

LSBA is sponsoring area events such as the 1984 National Bike Races, the Mt. Sunapee Area Businesses Ski Races, Sunday Afternoon Canoe Races, and endorsing projects benefiting our area like John McGrath's color Area Guide and the Soo Nipi Guide, the Mt. Sunapee Handicap Ski Race Program, and the fun annual Flare Night.

Other interests include the promotion of the Ski New Hampshire Store in Boston, MA., the distribution of our area promotional material to state-wide rest areas and tourist attractions, and to work closely with the State of New Hampshire Office of Vacation Travel with area distribution and Matching Grants Program for state funds.

Right here in town, the LSBA helps to fund the Christmas Tree lighting, rebuilding of projects such as the Information Booth sign, and the planting of flowers this year in Sunapee Harbor (with the tender care of Norm Perkins and Jean Putonen).

LSBA has also established a Toll Free Reservation Phone Line for many area motels and created Ski and Dining Packages to attract visitors. This has been very successful.

Area support by the residents of Sunapee has been tremendous and much appreciated. This kind of progressive enthusiasm has enabled the Lake Sunapee Business Association to initiate many fine programs that benefit everyone many times over. We hope to continue for many years to come.

David C. Hargbol  
President

## **REPORT OF LAKE SUNAPEE BICYCLE RACE COMMITTEE**

On August 13th through the 19th, 1984, the towns of Newport and Sunapee will host the United States Cycling Federation National Cycling Championships to be held in New England for the first time. This will include three types of cycling competition: the Individual Time Trial, the Team Trial and the Road Racing event.

Although there will be related activities going on in the area throughout the entire week, the Town of Sunapee will be directly affected on Saturday and Sunday, the 18th and 19th of August respectively. On these days the National Road Championships will be held in Sunapee and the route used for these races will be closed to traffic. The roads involved will include Main Street and High Street in Sunapee, Route 103B, Route 103 from the State Park Traffic Circle to Route 11 in Wendell and Route 11 from Wendell back to Main Street in Sunapee.

The main purpose of this report is to inform the residents of Sunapee of this condition early enough for them to plan accordingly. More complete information can be acquired in the lobby of the Sherburne Gymnasium on Town Meeting Day and details will appear throughout the summer in the local press.

Now that we have your attention by telling you that roads your tax dollars helped pay for will be closed for two days in August, we would like to explain why.

Technically it is because the United States Cycling Federation requires that the roads be closed to traffic to host a National Championship event, but there is more to it than that. Why the National Championships here in Sunapee at all? How has this come about?

Briefly, the Lake Sunapee Bicycle Race was started in 1974 as a citizens race and was one lap around Lake Sunapee. There were sixty-six entries. In 1976 the race was sanctioned by the United States Cycling Federation and in 1977 was designated the site of the New England Road Championships. In just a few short years the popularity of the race had grown markedly. This was because the course itself was a challenging one, the area was very cooperative, the people friendly, and the race was generally run smoothly and safely due to the cooperation of the Lake Sunapee Business Association, local sponsors and local volunteers.

By 1981 the race had continued to grow and there were over 500 entries in several different classes. It was at this time that the race committee and area businessmen started thinking about ways to make the event longer, to keep people in the area for a longer period of time. Hosting the National Cycling Championships seemed like a logical next step. The Nationals would draw a lot of contestants from all over the country, last a week, and make the towns of Sunapee and Newport household names to the entire cycling community. The bid for the National Championships was submitted and accepted by the United States Cycling Federation in the fall of 1982.

Since that time the race committee has been planning for this event. We are proud that this area is helping the entire U.S. Olympic effort by hosting these Championships and making hundreds of amateur athletes from all fifty states welcome in our towns. We are also proud that we live in an area where people are willing to do that little extra, and to work together as a community.

Indeed, this will be a special week for the residents of Newport and Sunapee, and we hope everyone enjoys the events and the opportunity to see a sporting event of national caliber.

## UPPER VALLEY-LAKE SUNAPEE COUNCIL

The Upper Valley-Lake Sunapee Council is a public, non-profit voluntary association of towns and cities in the Upper Valley and Lake Sunapee areas. Our thirty-one (31) communities are in two states and five counties.

The Council consists of a Board of Directors and a professional staff. Each town or city annually appropriates funds for the Council's operation and sends two representatives to participate on the Board of Directors. The Board elects officers, adopts the annual work program and budget, and develops policies and positions on issues that are important to UV-LSC communities.

The Upper Valley-Lake Sunapee Council is the official organization that brings towns and cities within our region together. By bonding together and pooling their resources, local governments have a highly trained, professional staff available to them for a wide variety of services. Areas of expertise include land use planning, master planning, economic and community development, water quality management, transportation, housing, capital budgeting, historic preservation, downtown revitalization, solid waste, recreation and fiscal and environmental impact analysis. The Council also serves as a collective voice for these towns and cities in dealings with state and federal governments, thereby protecting and furthering the needs and interests of our communities.

The Council has undergone many changes over the past year. Robert Varney was hired as the new executive director, replacing Jan Olly who returned to Florida to be closer to his family. The additions of Lisa Mausolf, historic preservation specialist, Vickie Smith, senior planner, Jim Klinger, draftsman and Barbara Belloir, administrative assistant, have greatly expanded the level and range of expertise available to our communities.

The staff has been busy working on a variety of projects during the past year. The following is a brief summary of some of our activities:

- ★ established a regional, bi-state solid waste district with fourteen (14) member communities
- ★ prepared several applications for federal and state funds, including Community Development Block Grants
- ★ re-established a regional historic preservation program
- ★ co-sponsored the Municipal Law Lecture series
- ★ reviewed, commented and testified on State legislation related to planning

- ★ provided drafting and mapping services
- ★ reviewed several development proposals for local planning boards and commissions
- ★ served on the Lebanon Airport's Citizens' Advisory Committee, the Advance Transit Advisory Committee and other special committees
- ★ assisted several communities with the development of local master plans
- ★ helped local planners amend their zoning ordinances and subdivision and site plan review regulations, as well as other local ordinances
- ★ completed a review of ten (10) communities' experience with regulating development in floodplains
- ★ provided economic, population, housing and other data to communities, organizations, banks, real estate firms and consultants for use in fiscal studies, market analyses and grant applications.

The Council's staff of professionals stands ready to assist your community in addressing the planning and growth management issues which you will face during the coming year. We also encourage you to become more familiar and involved with the Council, since we are essentially an arm of local government addressing your needs.

## COMMENTS FROM TAX COLLECTOR AND TOWN CLERK

The first year for semi-annual billing of property taxes seems to have been quite successful. As of Dec. 31, 90% of the 1983 property taxes have been paid.

Although the Board of Selectmen have the authority to go to semi-annual billing, in 1982 they placed an article in the Town Meeting Warrant and it was adopted by the voters of the town, to become effective with the 1983 tax bills.

For the most part, taxpayers have expressed approval of the system, finding it easier to make two smaller payments a year.

In semi-annual billing, because we do not have the tax rate for the year and other pertinent information in May, the bill sent out in early summer is one half of the previous year's tax bill. The second billing in the fall, reflects any change in assessment or tax rate.

Interest is charged, by state law, after July 1 for the first billing, and after Dec. 1 or 30 days after mailing the second bill. The bills were late in 1983 and the interest due date was Dec. 12. It was Oct. 26 when the selectmen went to Concord for the tax rate and then we ran into the familiar phrase: the computer is down.

The NOW account in which I deposit payments until Monday night when I turn it over to the treasurer earned the town \$2,850.44. This is the first year that interest has been paid on municipal accounts.

Taxpayers are also trying to get caught up on delinquent taxes which have gone to tax sale. The law states that interest will be at 18% on tax sales accounts and that adds up very fast. Because tax sales create a lien against the property, lending institutions are much more aware of those accounts and do contact mortgagers more than they used to.

Semi-annual billing has created a double work load in my office, but it seems to have worked out well for the town, with money coming in as soon as the tax bills are mailed out. Hopefully, our 1984 tax bills can be in the mail on or before Nov. 1 so we will have payments in 12 days sooner.

The state has added a new service to the office of town clerks, starting last February. Clerks who have at least a 30 hour week, may issue decals for the re-registration of motor vehicles. If someone is re-registering the same car or truck and keeping the same plate, they may complete the whole process in my office. There is a charge of \$1.50 for each registration and it must be done in the birth month. We can go back only one month.

The state has also opened a sub-station in Claremont and those registrants who are registering a new car or are transferring may go there, Lebanon or Concord.

My deputy, Eileen Stiles and I have completed a training course in Concord and are both certified to perform this service. We also do it for registrants of other towns after they have been to their town clerk.

If you have any questions feel free to call 603-763-2449.

JEAN W. PUTONEN, *Town Clerk  
and Tax Collector*

**SCHOOL WARRANT**  
**THE STATE OF NEW HAMPSHIRE**

To the Inhabitants of the School District of Sunapee, qualified to vote in District affairs:

You are hereby notified to meet at the School Gymnasium in said District on the 12th day of March 1984 at 7:30 o'clock p.m. to act upon the Articles set forth in this Warrant not covering the election of District Officers. Said Officers will be acted upon at Town Meeting on the 13th day of March 1984 in said gymnasium with voting by official ballot and checklists and the polls will remain open for this purpose from 9 o'clock a.m. until 7 o'clock p.m.

ARTICLE 1. To choose a Moderator, Clerk, Treasurer, and two Auditors for the ensuing year, and to choose a Member of the School Board for the ensuing three years. (Article 1 will be acted upon at Town Meeting.)

ARTICLE 2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

ARTICLE 3. To see if the District will vote to raise and appropriate the sum of \$1,472,818.00, as recommended by the School Board, for the support of the schools, for the payment of salaries for School District Officials and Agents, and for the payment of statutory obligations of the District and to authorize the application against said appropriation of available income estimated at \$79,731.00.

ARTICLE 4. To see if the District will vote to authorize the establishment of a Capital Reserve Fund for building improvements at Sunapee Central School with the monies remaining, approximately \$13,000.00, from the re-roofing of the Sunapee Central School.

ARTICLE 5. To see if the District will vote to authorize the School Board to expend up to \$5,000.00 of the Capital Reserve Fund for building improvements at Sunapee Central School, to hire an architectural consultant to make a study of the elementary school building.

ARTICLE 6. To see if the District will vote to indemnify and save harmless, for loss or damage, or violation of the civil rights of an employee, teacher or student; all school officials and employees, in accordance with RSA 31:105 and RSA 31:106.

ARTICLE 7. To see if the District will authorize the School Board to make application for, to receive and spend in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may not or hereafter be forthcoming from federal, state, local or private agencies.

ARTICLE 8. To see if the District will vote to accept the new service of Business Administrator for School Administrative Unit Number Forty-three (43) in accordance with RSA 189:47. (A vote to accept a new service shall not be construed as a vote to raise and appropriate money within the meaning of RSA 197:3.)

ARTICLE 9. To see if the District will vote to allow the David W. Sherburne Gymnasium to be made available to the Sunapee Fire Department to hold the annual Firemen's Ball and to allow alcoholic beverages in accordance with state liquor laws. (By petition of 22 voters.)

ARTICLE 10. To transact any other business that may legally come before this meeting.

Given under our hands this 8th day of February, nineteen hundred and eighty-four.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Sunapee:

A Presidential Scholar, two Merit Scholarship Finalists, the New Hampshire State Spelling Champion, Girls' Volleyball State Championship, Boys' Ski Team State Championship, a very successful Grade 6 trip to Cape Cod as part of the "Nature's Classroom" program — these among other excellent activities indicate an outstanding school year for the Sunapee School District. It certainly speaks well for the entire school system to do so well academically and in extra-curricular activities, including athletics.

The faculty in the Sunapee Schools is outstanding and it is important to maintain a better-than-average salary schedule in order to retain this high caliber of professional teachers currently employed.

The School Board has used excellent foresight by including two Articles in the School District Warrant pertaining to the Sunapee Central School. One Article requests the establishment of a Capital Reserve Fund for building improvement at the Central School while the other Article requests authorization to expend up to \$5,000 from the Capital Reserve Fund to hire an architect to study the elementary school building.

It has been many years since any major improvements have been made to the interior of the elementary school and it is certainly time to study the building and perhaps develop some recommendations which could be discussed at the School District Meeting in 1985.

The School Board and school administration are requesting an additional position in the Physical Education and Health area in the budget this year. We feel it is essential to have this position if the high school is going to maintain its approval status with the State Department of Education during the next few years. New minimum standards for New Hampshire high schools which will be in effect in the near future will require this new position. The elementary school will also receive some assistance from the addition of this position.

I want to thank the Sunapee School Board for their interest in education and for the long hours they spend performing their duties. It certainly is appreciated. I also want to thank the Citizens of Sunapee for their continued financial support of an outstanding school system.

Respectfully submitted,  
 JOHN H. SOKUL

## REPORT OF THE JUNIOR—SENIOR HIGH SCHOOL PRINCIPAL

The 1982-83 school year was an eventful one extending significant recognition to Sunapee Junior-Senior High School. In athletics both the girls volleyball team and the boys ski team won the New Hampshire state titles.

In April, Valerie Johnson became the New Hampshire State Spelling Champion. She also competed for the National title in Washington, D.C. in early June.

Blake Dickinson and John Wiggins were both National Merit Scholarship Finalists. John Wiggins was one of two students from New Hampshire to receive a 1983 Presidential Scholarship. He joined with 140 other students from throughout the United States at the White House to receive the award.

Commencement exercises were held on June 15, 1983. Mrs. Eileen Stiles, Chairman of the School board presented diplomas to: Timothy Armen, Nancy Barmat, Allan Blaha, Theresa Carey, Julie Cheney, Carl Clement, Tracy Couitt, Norman Dalton, Albert Dargie, Brett Dashner, Kimberly Dashner, Susan Deane, A. Blake Dickinson, Michael Duling, Brian Fadden, Brent Fadden, Gary Gagnon, Peter Graf, Tammy Gross, Craig Hekking, Joseph Hershey, Timothy Leslie, Derran Lyons, Paul Manson, James Murray, Cathy Nichols, Christopher Noltie, Wanda Santti, Lisa Seale, Deborah Smith, Sharyn Smith, Thomas Sullivan, Steven Swenson, Craig Thyng, Timothy Walsh and John Wiggins, Jr.

Two new scholarships were given this year. They were the Karen Marie Schrader Memorial Scholarship which was given to Sharyn Smith and the Newport Loyal Order of the Moose Scholarship given to Craig Thyng.

Students receiving all other awards and scholarships were as follows:

*Valedictorian*, John Wiggins, Jr.

*Salutatorian*. Andrew Blake Dickinson

*Third Honors*, Kimberly Dashner

*Sunapee High School Alumni Scholarship*,

Theresa Carey

*Murvin A. Bailey Award*, Sharyn Smith

*Annie G. Leone Award*, Brent Fadden

*John Segalini Scholarship*, Brian Fadden

*New London Rotary Club Scholarship*, Sharyn Smith

*New London Rotary Club Outstanding Service Award*,

John Wiggins, Jr.

*Lake Sunapee Savings Bank Citizenship Award*, James Murray

*First Citizen's National Bank - Catherine Harold Award*

Thomas Sullivan

*Sunapee Teachers Association Awards*, Blake Dickinson,

Gary Gagnon, Sharyn Smith & John Wiggins, Jr.

*Sunapee Teachers Association Practical Arts Award*, Albert Dargie

*Daughters of American Revolution Award*, John Wiggins, Jr.

*Sugar River Savings Bank Scholarship*, John Wiggins, Jr.

*Newport Area Knights of Columbus Scholarship*, Deborah Smith

*Coaches Awards:*

Theresa Carey, Carl Clement, Norman Dalton, Blake Dickinson,

Michael Duling, Brent Fadden, Gary Gagnon, Joseph Hershey,

Paul Manson, Deborah Smith, Steven Swenson, Craig Thyng,

James Murray

*National Merit Scholarship -*

*Rockwell International Corporation Trust,*

John Wiggins, Jr.

*John M. & Della U. Emerson Scholarship,*

Blake Dickinson & John Wiggins, Jr.

*Nathan Johnson Citizenship Award*, Charles Goyette

*Bausch & Lomb Honorary Science Award*, John Wiggins, Jr.

The following students are presently eligible for membership in the Sunapee High School Honor Society for 1983-84:

*Seniors:* Nicole Bergeron, Steven Britton, Annie DiPadova, Brenda Engelstad, Lorena Krajcik, Michele Nolin, Ronald Shackett

*Juniors:* Jody Barna, Matthew Duggan, Karen Cousens, Bethuel Hunter, Thomas Lohman, Mary Lovejoy, Timothy McGinnis, Kristen Ostrom, Matthew Smith, Patricia Sullivan

*Sophomores:* Michele Couitt, David Jacobsen, Laurie Johnson, Paul Johnson, David Muzzey, John Wallenda, Rochelle Young

We are again pleased to announce that we have maintained our New England Association of Schools and Colleges Accreditation through March 1, 1985.

In September of 1983 the six period day was replaced with a seven period format, allowing for the addition of the following courses without an increase in staff: General Business, General Math 7-8, Pre-Algebra, Calculus, Physical Science, extra math and social studies.

The computer program has been expanded to 12 units, including a new P.D. 250 given to us on loan from Digital Corporation. We are presently servicing 30 students.

ANNUAL REPORT  
*of the*

**SUNAPEE**  
**SCHOOL DISTRICT**

*For the Fiscal Year*

July 1, 1982  
to  
June 30, 1983

The high school mini course program in English and Social Studies has been discontinued in favor of a full year format. Individualized math has been phased out at all levels. Quiet study halls and the student council are gaining revival status.

The class of 1984 will be the last to graduate with a 16½ credit minimum. Beginning in September of 1981 all incoming freshmen were required to carry a minimum of 18 credits for graduation establishing the class of 1985 as the first to graduate with an 18 credit minimum.

Latest reports from the State Department of Education indicate that new standards to be mandated in the near future will raise the credit limit to a minimum of 18¼ for graduation. It is my sincere feeling the Sunapee High School can meet the newly prescribed criteria in all areas with the exception of physical education and health where the requirements have been increased. As a result, we have made a request for a combined physical education-health instructor. Hopefully, this instructor will be able to complement the elementary program as well.

Although we have improved the junior high school program in 1983-84, the State of New Hampshire Division of Instruction has denied us full approval status until we allocate more instruction in art and music. However, we feel confident that we can make the necessary adjustments by September of 1984 without additional staff.

It is our hope that we all continue to support the desire to keep Sunapee Junior-Senior High School in a comprehensive setting where academics, special areas, special needs and extra curricula are all designed to provide for the mental, social and physical well-being of all our children.

Again, I particularly value the consideration and assistance from our students, parents, entire staff, schoolboard and the S.A.U. #43 office.

Respectfully submitted,

RICHARD C. LEONE,  
*Principal*

## REPORT OF THE ELEMENTARY SCHOOL PRINCIPAL

The 1983-84 year began with an enrollment of 206 pupils. With the addition of a new staff member we were able to limit combination grades to Readiness/1 and 2/3. It is expected that these two combinations will remain the same next year. I am very pleased to report that with the inclusion of a fulltime aide the R/1 combination has been very successful.

Curriculum attention this year was directed at mathematics where the selection of new texts included many problems and exercises for students to solve with the use of computers. Sincere appreciation is extended to the Sunapee Parent-Teacher Organization (SPTO) for helping to expand our computer program. SPTO members have also been very instrumental in raising funds through a bazaar, food sales, movies, t-shirt sales, etc., making possible additional enrichment activities and extra field trips.

The co-curricular programs that continue to involve enthusiastic student participation are soccer, basketball, and piano and guitar lessons. In addition to skiing, gymnastics, crafts, computer, snowshoeing/cross country skiing, and cooking, this year's Winter Activity Program (WAP) included aerobics, basketball, and bowling. All students are involved in one of these activities each Thursday afternoon for a six-week period.

All of us at Central School are pleased with the new recently-installed fire alarm system which includes heat sensors and smoke detectors. Personnel have vacated the building during recent fire drills in less than two minutes.

A special highlight of the year was having all sixth grade students travel to Cape Cod to attend "Nature's Classroom", an organization that provides a unique hands-on environmental education program for children. All expenses were paid by the combined fund-raising efforts of students, parents, and teachers.

Sunapee students continue to be the fortunate recipients of multi-educational opportunities offered through the generous combined efforts of many caring adults.

Respectfully,  
DONALD R. STOWE  
*Principal*
